

The Nester

By Alyssa Ettinger

Tis no longer the season to wrack your brain thinking up the right gift for the often way-too-picky homebodies in your life. Good news: Buying the perfect present for the Nester on your list is a whole lot easier than it used to be—even easier, in fact, than it was this time last year. The reason? A whole slew of home-furnishings Web sites let you choose between shopping from home at familiar stores (like Restoration Hardware and Illume) and browsing new cybershops chock-full of unique and beautiful gifts.

Zeppelin Chrome Cocktail Shaker

No home is ready for guests without some showy barware. Mall store-turned-online retailer Restoration Hardware has reproduced this 1928 design, a chrome cocktail shaker shaped like a zeppelin. Your Nester will be able to pop a favorite CD in the stereo, mix up some cocktails, and play the hostess with the mostest.
